Soups and creamy soups

Easy-to-make

The stocks and bouillons for soups and creamy soups made by **BSA** are a must for those who are running food service or ready-to-eat food businesses. These quality stocks and bouillons are so easy to prepare. All you need to do is add your personal touches, heat, and serve. By the way, **taste and comfort are included in the package!**

Simple, fast and profitable!

Whatever the season, it has never been so simple to offer a varied menu without fear of compromising the full flavours of your soups and creamy soups. Now thanks to the stocks and bouillons for soups and creamy soups made for you by **BSA**, you will be able to cut down on your labour costs in the kitchen, while increasing your profit margin per serving.

- Quick and easy to prepare
- Low cost per serving
- High quality, homogeneous products
- Easy to measure out: a small amount is sufficient to make a delicious soup
- Available in low-sodium form

**TASTE
and COMFORT
INCLUDED!**

Tastes just like homemade soup...

With each spoonful, your customers will appreciate the wonderful taste of your soups and creamy soups lovingly prepared using **BSA's** perfectly seasoned stocks and bouillons. Because your soups will have such a rich flavour, just like what one would expect from homemade soups, nobody will be able to guess that they were made from stocks.
